

Sherpa Kids

About Us

Sherpa Kids purpose is to support South Africa families by providing high quality Before School Care, Aftercare and Holiday Care at your school.

Whether this support comes in the form of our flexibility and affordability or serves a bigger purpose such as allowing a parent to get back to the workplace or go back to college, this is the reason for our existence.

Sherpa Kids brings South African parents an internationally benchmarked, structured and professional programme, wrapped up with lots of love and care.

Our focus is to provide a loving, caring, home-away-from home environment for your child/ren where there will be loads of learning, fun and personal development.

Sherpa Kids is dedicated to providing a safe and secure environment for the quality care of school aged children through a structured well balanced programme. We achieve this by thinking ahead, anticipating what children might like to do to keep them safe and happy; and by having planned activities and supervised free play.

Making a Difference

Sherpa Kids will engage with the entire school community to ensure that the children in our care will develop through play, activity, fun and enriching programmes as well as enjoying their own quiet time. We identify each child's needs and goals and challenge ourselves to meet them on a daily basis

Sherpa Kids values our ethos of "Supporting Families and Making a Difference". We believe that children learn best by actively interacting with tasks, finding their own solutions and engaging confidently with all that they are faced with. We encourage children to become active participants in problem-solving and teaching them skills to becoming balance human beings who realize their full potential

WE CARE:	For our communities, the children we are entrusted with, our fellow franchisees and each other
WE BELIEVE:	In creating opportunities growing relationships and giving back
WE TRUST:	The system, our colleagues and ourselves
WE LEAD:	By example and as pioneers
WE PROMISE	To look for solutions, to uphold Sherpa Kids standards and to be honest in all our dealings
WE SEEK	Opportunities for growth and development for all our stakeholders

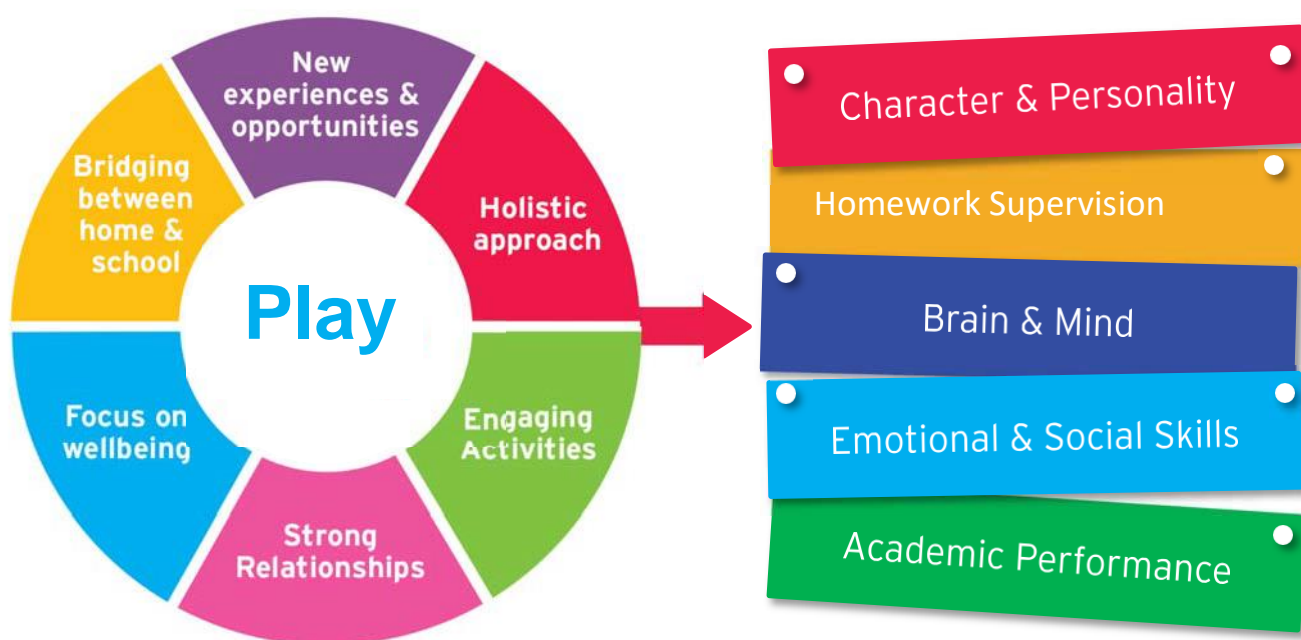

Why Sherpa Kids?

- Kids love our engaging programmes, participating in adventurous, creative activities and good old-fashioned play
- We focus on children's health and safety
- All staff have clear criminal checks
- A staff: learner ratio of 1:15 allows for loads of engagement
- We build positive relationships with the children and families
- We offer a professional service with our core focus on CARE.

Weekly Themes

Weekly themes are incorporated into the daily format. The daily format is only an indication of the types of activities the children will be involved with at any given time. However, depending on the children's enthusiasm and interest, it may be varied. For example Monday might be Arts and Crafts with the theme of the week being Different Countries.

Homework

At Sherpa Kids, the homework component of our afternoon offering typically looks like this:

- The homework is completed within a group setting, where children of similar ages are allocated to a supervisor whose core function is to ensure homework is attempted
- If the grade teacher assigns homework for the entire week, we will attempt to divide this equally over four days to ensure quality homework is attempted in the allocated time
- Homework allocated by the school class teachers takes preference over any other extra educational requirements and in general we do not offer support for the external educational homework such as Kumon as part of our standard aftercare offering
- We will encourage and motivate the children daily to do their best
- Once the tasks are done, within the allocated time, the staff member on duty verifies which work was completed by ticking; but parents are encouraged to sign their child's diary

Online Booking System

As part of our value for safety we make use of a system called AIMY-PLUS- this system enables you to register your child online. It provides the Sherpa Team with information such as your child's allergies, who may collect your child and when you would like to book your child into Sherpa Kid's Care. The system helps Sherpa Kids keep your child safe and gives you the peace of mind knowing your child has arrived at Sherpa Kids.

How do I register/enrol

You would need to login to Aimy-Plus

- Click the following link: <https://sherpakids-za.aimyplus.com>
- Select new Parent
- Complete the parent and child section
- Make your way to the booking section.
- Receive an invoice
- Make an EFT Payment and then send your Proof of Payment to edenvale@sherpakids.co.za

Covid- 19 Safety

Staff training has been implemented to identify any possible risks and hazards to our learning environment and practices. Our staff are committed to assist in infection prevention controls and have completed Sherpa Kids COVID-19 staff training such as hygiene steps, how to properly wear a mask, sanitation, social distancing and avoid gatherings of children.

We look forward to meeting you and your children.

Please feel free to contact us if you have any questions
