

ROSEBANK PRIMARY SCHOOL

RE-REGISTRATION (GRD 2, 3, 4, 5 & 6)

It is that time of year again when the internal grades (for Grades 2, 3, 4, 5, 6 and 7 learners for 2024) are required to **re-register for attendance** at Rosebank Primary School for the 2024 school academic year.

This means that our current Grade 1 to Grade 6 learners need to re-register for 2024.

Please **use this link to re-register** at Rosebank Primary School for 2024:

<https://3527.d6plus.co.za/register/>

It is **important** that you secure your place for 2024, as the school is required to submit registration numbers for each grade to the Department of Education, and any spaces that are still available are used by the department to allocate to learners whose families have re-located or waiting for spaces in schools.

Registration for Grade 1 and Grade 8 is completed via the GDE online Admissions system, which opens on Thursday (**15 June 2023**). **All current Grade R and Grade 7** learners are required to register for Grd 1 and 8 via the GDE online portal (unless they are registering for a private/independent school for 2024).

SPORTS HERO CIVVIES DAY

On behalf of Trevor Dube and Ntabiso Dube and their families, a big thank you to everyone who supported their efforts to raise funds towards the cost of their soccer camp. The school collected R4 800 for the two boys and we will hand this over to the boys' parents.

If there are still parents or staff members who would still like to donate to assist the boys in covering their costs, please let the Front Office know and they will help with the collection of your donation.

PARENT REGISTRATION ON D6

The school is concerned that there are still many parents who have not registered on d6 Connect App.

Communication tasks:

1. There are 381 parents who are not linked to their learners or your school on the d6 Connect App.

Please do so as soon as possible, as this is the administrative system that the school uses for all communications.

The D6 Connect app is available to download and is noticeable as the app with a grey background. Once setting up the App on your phone you will have the option to sync to multiple channels that cover activity that is centric to the different parts of the Rosebank Primary Community. The calendars are integrated with Google Calendars so information can always remain current.

We therefore encourage all parents to download the app whether their smartphone is either Apple or Android.

For support with any specific download issues please contact the

d6 Support Team at support@d6ed.co.za.
