INTERSEN PHASE TOURS

Due to insufficient numbers for the Intermediate Phase Tours (Grade 4 - 6), these tours have been cancelled. The Grade Leaders will be investigating venues for Day Trips to replace the overnight tour option.

Once these have been discussed, each grade will be contacted individually as to the chosen venue, date and cost of the relevant day trips.

At this stage, the Grade 7 overnight tour is still happening as we have had an 80% attendance commitment. However, this may change if those 80% do not pay the full cost of the tour by the due date.

STAFF NEWS

Ms Illman will be starting her maternity leave next week, so this Friday (18th August 2023) will be her last day at school before she leaves to prepare for the birth of her second child. We congratulate Ms Illman on the pending birth of her second baby!

Ms De Necker will be getting married on Saturday, 19th August 2023. May her marriage be filled with all the right ingredients: a heap of love, a dash of humour, a touch of romance, and a spoonful of understanding. May her joy last forever. Congratulations! Ms De Necker will be away from school on 21st & 22nd August 2023.

Ms. De Necker

DOCTORS' APPOINTMENTS

We once again remind parents to please not make doctor's appointments during school hours. We have had too many requests in the last few weeks from parents for us to allow learners to be released from school because they are sick and need to go the doctor. If a learner is sick, they should not be coming to school. Therefore, if they need to see a doctor during the school day then in theory, they are too sick to be sent to school. We ask that parents please adhere to school policy and make doctors' and dentist appointments after school hours or in the holidays.

DONATIONS / SPONSORSHIP

If there are any parents who are able to source a donation or sponsorship for new grandstands, please could you contact the Front Office or Mrs Motsoane (finance@rosebankprimary.co.za). Our current grandstands are in a dismal state and have been repaired numerous times. The wood is so old that it is disintegrating. Eco-friendly grandstands would be ideal, as there is zero maintenance and they will last for many years.

We would greatly appreciate it is anyone could assist with three (3) or more new grandstands (for the three sports' houses). If there is a company who is prepared to help, we would be happy for the company to display their logo/s on the grandstands.

If you have any contacts who can sponsor new grandstands for the school, please let Mrs Motsoane know.
