## WELCOME TO TERM 4

Welcome back to all teachers, parents, and learners for the final term of the 2023 school year! We hope that you had a restful break and are ready for the busy term ahead. As we approach the end of the academic year, many exciting opportunities and challenges will await us.

This term is a time for wrapping up the year's learning, reviewing what we've accomplished, and preparing for the upcoming assessments and end-of-year exams. It's also a time for reflection, celebrating achievements, and setting goals for the future.

We encourage open communication between teachers, parents, and learners to ensure a successful and productive term. If you have any concerns or questions, please don't hesitate to reach out to the class teacher or grade leader. Together, we can make this term a rewarding and fulfilling experience for everyone.

Let's make the most of this last term, embrace every learning opportunity, and finish the year strong! We're excited to see the growth and achievements that will come from your hard work and dedication.

Wishing you all a productive and successful Term 4!

# ANNUAL GENERAL MEETING (AGM)

This is a friendly reminder that the Annual General Meeting (AGM) is scheduled for **Saturday, 21st October 2023, at 09H00**. The meeting will take place in the Rosebank Primary School Hall.

The AGM is an important event where we discuss and present the proposed 2024 budget. Your participation and input in this meeting are highly encouraged, as it is an opportunity for you to have a say in the school's **financial planning** for the upcoming year.

During the AGM, all parents in attendance will have the opportunity to vote on the proposed budget and school fees. Your vote matters and your presence is greatly appreciated.

As a token of our appreciation for your participation, all parents who can attend the AGM will receive a free civvies day ticket for their child/children and all learners whose parents attended the AGM will be allowed to come to school in civvies on Monday, 23rd October 2023, at no charge.

We look forward to seeing you at the AGM and working together to make informed decisions about the school's future. Your support and involvement are invaluable to us.

Thank you, and see you on Saturday, 21st October!

## KARRI APP

We would like to once again encourage all parents who haven't already done so to sign up for the Karri App. As previously mentioned, the current bank charges incurred due to cash deposits place a significant burden on the school's budget.

Karri is powered by NEDBANK, and our school banks with NEDBANK. Using the Karri App for payments is not only convenient for you as

**21<sup>st</sup> October 2023  
(09h00)**

**The proposed 2024 budget  
will be available in the Front  
Office for perusal from 11<sup>th</sup>

**Easy payment options via Karri  
or debit order.**

**Karri also offers easy  
payments for all school events  
and will help reduce the  
exorbitant bank fees incurred  
when cash is deposited via the  
AGM.**

Rosebank parents but also highly beneficial for the school. It helps us reduce bank charges and streamline financial transactions.

To successfully install and use the Karri App, please reach out to Mrs. Motsoane for more information and guidance. She will be more than happy to assist you in setting up your account and using the app for various school-related transactions.

Your cooperation in this matter is greatly appreciated. By adopting the Karri App, we can make our financial processes more efficient and allocate more resources to the education and well-being of our students.

Thank you for your continued support.

## AFTER SCHOOL NON-COLLECTION

Starting from the beginning of Term 4, we would like to remind you of the change regarding learners who have not been enrolled in Aftercare or collected within 15 minutes of the official school day ending (14h00 for Grades R - 2 and 14h15 for Grades 3 - 7):

Learners who have not been enrolled in Aftercare and are not collected within the specified 15-minute timeframe will be placed in the enclosed area on Sturdee Ave.

The gate onto the school property will be locked, and no learner in this area will be allowed back onto the school property.

Please note that there will be no supervision in this area during this time frame, as it becomes the responsibility of parents/guardians, as it falls outside of the official school day hours.

Supervision services are available at Aftercare, which is a private program with compulsory payment.

Learners have the opportunity to participate in our Extra-Mural Program. However, we want to bring to your attention that the same procedure regarding pickup times applies at the conclusion of any extra-mural activity:

- Learners who have not been enrolled in Aftercare and are not collected within the specified 15-minute timeframe will be placed in the enclosed area on Sturdee Ave.

We kindly request your cooperation in ensuring that your child is picked up promptly after school or their extra-mural activity. This procedure is in place to ensure the safety and well-being of our learners and to minimize any inconvenience to our staff and other learners.

For those interested in enrolling their child/children into Aftercare,

please contact Miss Modibedi at [aftercare@rosebankprimary.co.za](mailto:aftercare@rosebankprimary.co.za) for more information and enrollment details.

We appreciate your understanding and cooperation in this matter. The safety and well-being of our learners are our top priorities, and the school cannot be held liable for learners whose parents have left them unsupervised after school hours.

Thank you for your continued support.
