Parent–Teacher Meetings: Wednesday, 29 April 2026

Please be informed that our one-on-one Parent–Teacher Meetings will take place on Wednesday, 29 April 2026. School will close earlier on this day to accommodate all scheduled meetings. Further details regarding the early closure time and arrangements will be communicated to parents in due course.

Each parent will receive a letter from their child's teacher indicating available time slots. Kindly select the session most convenient for you and return the letter promptly. You will then be allocated a 10-minute meeting slot with the teacher.

Should a longer discussion be required, a separate meeting will be arranged at a later date in consultation with the teacher.

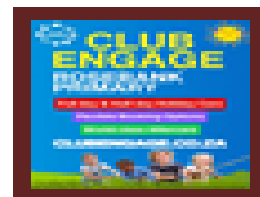

We kindly request that parents arrive on time for their allocated slots to ensure that the process runs smoothly and that all parents are accommodated. Please note that no parents will be attended to after the final scheduled time slot.

We appreciate your cooperation and look forward to meeting with you
